We'll get the local Bognor Regis community and visitors, to each write a cheery birthday greeting

A school from Purley has sent a load

Better make a few posters...and contact local schools, organisations and business, church groups and retirement homes.

Let's make history together!

Paul, Jan, Colin, Hazel & Lyn sticking around 4,000 cheery greetings - with huge thanks to Clive who made the grids idiot-proof - phew, only another 1,000 to go!

4

Lyn cuts 6,000 individual greetings tags

Above, just one brilliant offering from among hundreds and hundreds more messages and drawings

We need 1,000 more greetings to reach our 5,000 target - can you help?

Write your greeting on the Bognor Pier Trust website:
